WARD, JAMES PAUL. How to co-exist without playing the Kremlin's game. 228p \$2.75 Beacon press; pa \$1 for sale by Current affairs press, 25 Vanderbilt av, N.Y. 17

327.73 U.S.—Foreign policy. World politics
52-5959

"This book is the tenth in a series of studies, each undertaken with the same purpose: of trying to foresee some of the major problems of foreign policy, to forestall some of the predictable errors, and to suggest possible alternatives." (Foreword) The book contains outlines of the needed elements to carry out his policies. Index.

"James P. Warburg is a critic, although a restrained and moderate critic, of the present trend of American foreign policy. . . His suggestions for a united Germany and a united Korea, based on free elections, seem to skip very lightly over the obstacle presented by the frozen indoctrination in Communist mental molds imposed upon East Germans and North Koreans. . . The force of the book's argument is weakened by a rambling, discursive style." W. H. Chamberlin

Ann Am Acad 281:206 My '52 480w

"For those who want to get out of present sterile modes of thought, this book is fine shock treatment to get onto more fertile thought." E. W. Harris

Foreign Affairs 31:151 O '52 30w

Kirkus 20:103 F 1 '52 320w

"In an up-to-date and pungent analysis of the perilous state of world affairs Mr. Warburg has pointed out what he regards as the strong and weak points of American foreign policy

and urges his fellow-citizens to do something, or various things, about it. His comments and criticisms are often penetrating and in speaking out he is performing a patriotic duty." P. E. Mosely

+ Nation 174:529 My 31 '52 800w

"There is nothing very novel about any of these ideas. Some aren't being done because Congress won't give the green light and others because the Russians have blocked them, just as they are now blocking peace in Korea. The best part of Mr. Warburg's book is not his program but the clarity with which he illuminates some of the problems inherent in our rearmament effort. Too little attention has been given to where we are going and what we are doing to ourselves in the process. Mr. Warburg's earnest volume helps overcome that lack." A. H. Raskin

WARD, ALFRED CHARLES. Bernard Shaw. (Men and books) 215p \$2.50 Longmans

822 Shaw, George Bernard 52-3194

A short biography of Bernard Shaw, combined with chapters of explanation and criticism of his work. Bibliography. Index.

"As an introduction to the late master of Ayot St. Lawrence, this is a totally satisfactory work." Lewis Funke

+ N Y Times p36 F 17 '52 320w

"The great merit of Mr. Ward's fresh study is that it is the first book able to treat Shaw as a classic. Shaw is dead and this fact, paradoxically, makes us unable any longer to reject him at will. He is like a monument recently put up on a public square. Those who are not disposed to linger and admire must nevertheless walk around him. Mr. Ward is of course an admirer, even though he cannot be said to linger in any of his rapid and efficient chapters." Jacques Barzun

Sat R 35:16 Mr 29 '52 500w

"One can think of no author more difficult to write about at the present time than that angelic stylist and frivolous reformer, that heartless old windbag, Shaw. But Mr. Ward rises heroically to the challenge, and gives us a book which will surely sweep several earlier studies of Shaw from our shelves." M. C.

WARD, CHRISTOPHER. War of the revolution; ed. by John Richard Alden. 2v maps set \$15 Macmillan

973.33 U.S.—History—Revolution 52-14233

"Christopher Ward had nearly completed his history of the Revolutionary war before his

WARD, CHRISTOPHER—Continued

recent death. His manuscript has been edited and expanded by John R. Alden, biographer of Generals Gage and Charles Lee. The story of the war on land is told in full, from Lexington to Yorktown." Chicago Sunday Tribune

"This is surely the most readable and the best of the modern, full-length military histories of the Revolution." C. P. Nettels

+ Chicago Sunday Tribune p22 N 16 '52 300w

"An exciting experience for those who are easy chair generals or who want to refresh or fill in their knowledge of the Revolution."

+ Kirkus 20:491 Ag 1 '52 200w

"The style is the man himself; in a more elementary sense it is also the book. This military history by the late Christopher Ward is a detailed and intimate picture of the American Revolution so skilfully and vitally presented that it readily falls into the select category of top notch historical narration." Herbert Cahoon

+ Library J 77:1400 S 1 '52 120w

"To most of us the stirring events of our War for independence are perennially interesting. Nor have they lacked chroniclers. . . For a long time we have wanted a clear and readable synthesis of this mountain of material. The late Christopher Ward's 'The War of the Revolution' is this long-awaited book; and it bids fair immediately to take a prominent place among the classic histories of this country." Carl Bridenbaugh

+ N Y Herald Tribune Bk R p3 N 30 '52 750w

"Mr. Ward did not live to prepare his manuscript for the press. This is unfortunate for the readers, because a final revision might have eliminated numerous thickets of detail that obstruct the narrative. . . Yet, with all its drawbacks, the book is a real achievement. For the student it is a reliable guide to most of the highways and byways of the war. For the general reader (if his conscience permits him to skip the minor shooting affrays) it is a narrative that does justice to the story."

W. B. Willcox

+ — N Y Times p6 D 7 '52 500w

"Mr. Alden has been scrupulous in his editorship, making no major alterations in the author's original manuscript but correcting obvious mistakes he is sure that Mr. Ward himself would have caught in final draft. He has written a modest and becoming introduction and has added an important chapter on the war beyond the Alleghenies written in a style which blends pleasantly with the author's own. Altogether, Mr. Ward's legacy is a rewarding book, entertaining, comprehensive, and sure to win enthusiastic readers." G. F. Scheer

+ Sat R 35:13 N 22 '52 700w

"A solid chunk of scholarship, likely to endure as a classical work on its subject."

WATTS, ALAN WILSON. Wisdom of insecurity. 152p \$2.75 Pantheon bks.

210 Natural theology 51-12792

"A thoroughly modern construction of the Biblical injunction to take no thought for the morrow, this goes to present-day physical science and psychology for the arguments and vocabulary with which it asserts the unpredictability of existence, and the consequent futility of struggling for security and happiness. Only by a kind of spiritual judo, which is the mastering of an opposing force by giving in to it, can humanity obtain release from conflict and its attendant anxiety, says the author." Booklist

Booklist 48:60 O 15 '51

"Here is a strange potpourri of psychological wisdom, Christian mysticism, Indian metaphysics, New Testament paradox, and scientific jargon that may puzzle many a reader or give him a right smart headache. Instead of the subtitle, 'A message for an age of anxiety,' the author might have chosen, 'A lamentation on the necessity of civilization.'" Clarence Seiden-spinner

Chicago Sunday Tribune p14 O 7 '51 270w

San Francisco Chronicle p27 O 28 '51 100w

" 'The Wisdom of Insecurity,' a brief volume with taut, concise, and unusually clear prose, is honestly written and presented, full of hope and intent on remedying human frailties. Whether the average individual can actually forget the past or not think of the future, consciously or unconsciously, is open to question, and in this respect one might seriously regard Mr. Watts' position as wishful thinking." G. A. Panichas

WATTS, HAROLD HOLLIDAY. Ezra Pound and the Cantos. 132p \$2.75 Regnery

811 Pound, Ezra Loomis [52-9122]

"Mr. Watts has written a lucid, sometimes brilliant exposition of what he thinks are Pound's aims and ways and means. It is a reading of the Cantos, above all, for the ideas in them." (San Francisco Chronicle) Index.

Reviewed by Rolfe Humphries
Nation 174:589 Je 14 '52 50w

"Pound's work as a whole, Mr. Watts finds, has its value as a picture, however warped and obsessed, of certain contemporary ills that cannot be overlooked. The exposition of this critique is frequently brilliant, when it is not too complex."

+ New Yorker 28:202 N 22 '52 130w

"Texts aren't Mr. Watts' long suit; he operates at an incredible remove from the words of the poem, quotations from which appear on precisely five pages, near the middle. In addition, the book bears every mark of having been excogitated before the Pisan Cantos were available and having undergone only token modifications by their light. It was an earnest and honest excogitation; though the whole book reads like successive drafts of an introduction to itself, Mr. Watts recognizes the importance of the labour he never quite begins to perform: correlating the techniques and the aim, plumbing the truth that one can't have the poetry without the politics, and recognizing that the validity of the politics is totally independent of Pound's or anyone else's judgment of Mussolini." Hugh Kenner

+ Poetry 81:128 N '52 1200w

"One may well disagree with Mr. Watts' final evaluation of this poetry as 'an experience of good and evil' and with the statement that Pound's 'studies of cultural history, as well as the Cantos, have been invigorated by hatred rather than hope.' But as an evaluation of Pound's place in the traditional picture of Western thought, and of the Cantos' moral and political illumination, Mr. Watts' study is exceptionally fair." L. F.

+ San Francisco Chronicle p31 My 25 '52 360w

"This critical study of Ezra Pound from an American is a useful introduction to the strongest and most sustained poem of the modern period. . . The value of Mr. Watts' study lies in having shown quite clearly and without anger or grudge, what the principles of Pound's poetry and ideas are." R. M.

+ Spec 188:792 Je 13 '52 230w

"Mr. Watts' closely written but lucid study must also be taken slowly. Pace by pace his patient torch reveals details of interest in the overpowering obscurity, until the structure and purpose of the whole extraordinary edifice emerge. . . Mr. Watts has chosen an admirable approach to his difficult subject. . . He has managed to vindicate the claim of the Cantos to serious consideration and has whetted our interest in it, while, on the other hand, candidly admitting that the poem is a failure. These are not easy functions of criticism to combine without mutual damage, and Mr. Watts is to be congratulated."

WEBER, CARL JEFFERSON. Hardy and the lady from Madison square. 264p \$5 Colby college press

B or 92 Hardy, Thomas. Owen, Rebekah Maria Antonia 52-8108

"Colby Professor Carl Weber [is] possibly today's foremost Hardy scholar. In [this book], Weber unearths the story of Rebekah Owen, a New York woman who was smitten by Hardy's books, visited England, where she was apparently smitten by Hardy himself. After some mild tea-drinking and book-auto-graphing plus years of letter-writing, she was finally brushed off by the aging and impatient author. Though the book is for dyed-in-the-wool Hardy fans only, it is another example of the interest the man continues to hold while the George Merediths fade away." Time

"This long and sometimes verbose volume contains some previously unpublished Hardy letters of little importance, much tenuous conjecture and a valuable quantity of confirmation about the limitations of Hardy's two wives. What the scholar will find indispensable is his account of the Colby College collection of the annotated Hardy books acquired from Miss Owen's library. For the general reader patient enough to suffer over-detail gladly, there should emerge a portrait of a singularly self-centered American woman who, with the best of intentions, tried the gentleness of a kind author until he was at last forced into protective unkindness." WEBER, MAX. *Religion of China: Confucianism and Taoism*; tr. and ed. by Hans H. Gerth. 308p \$4.50 Free press

299.51 China—Religion. Confucius and Confucianism. Taoism 51-12055

"[The book] contains three parts. Part One considers Chinese money, central government and local officialdom, feudal and fiscal organization, and the general features of capitalism. Part Two will delight the sinologue with its discussions of the literati, the development of the educational system, the examination techniques, the 'gentleman' ideal, the prestige of officialism, views on economic policies, and sultanism and the eunuchs as political opponents of the literati. . . Part Three considers Taoism, a portion of the book which will appeal mainly to the student of comparative religions." (Ann Am Acad) No index.

"[Part 2] contains a brilliant interpretation of the Confucian life orientation, constructed on a foundation composed of myriad-colored designs Weber has characterized as bureaucracy and hierocracy, absence of natural law and formal logic of legal thought, indifference to the natural sciences, the inner-worldly nature of Confucianism, the central concept of propriety, piety, the Confucian attitude toward the economy and rejection of the professional expert, the significance of the Chinese classics, the 'pathos' of early Confucianism, and its pacifist character. . . The conclusions of this study, entitled 'Confucianism and Puritanism,' are Weber at his best." T. E. Ennis

+ Ann Am Acad 279:247 Ja '52 420w

"While the reviewer does not regard himself as a specialist on all the areas touched by this book, it is perhaps his academic duty to begin by considering it specifically as a study of China. As such, *The Religion of China* must be handled with great caution. . . One of the worst defects of a book which in spite of its title, deals with Chinese society as a whole, is the slight treatment of Chinese Buddhism. . . It should immediately be added that *The Religion of China* remains one of the most suggestive studies that have appeared on the subject. . . In sum, as a specific study of China, the book has its merits and demerits." Benjamin Schwartz

WEBER, THOMAS. *Northern railroads in the Civil war, 1861-1865*. 318p \$4 King's Crown press

973.7 Railroads—U.S. U.S.—History—Civil war 52-3520

"This work is not an attempt to write a general history of railroad transportation during this time of national crisis. Several events important for railroad historians, such as the founding in 1863 of the Brotherhood of Locomotive Engineers, have been omitted. Rather this book tries to establish a relationship between the railroads and the war, to note how the war affected railroad activities, and how in turn railroad experience affected the events of the war. It is therefore one phase of railroad history." (Foreword) Bibliography. Index.

"Mr Weber's book is a thorough and solidly documented work." Herbert Cahoon

WEBSTER, SIR CHARLES KINGSLEY. *Foreign policy of Palmerston: 1830-1841; Britain, the liberal movement and the Eastern question*. 2v \$12.50 British bk. centre

327.42 Palmerston, Henry John Temple, 3d viscount. Great Britain—Foreign policy

[52-8106]

"Contains Sir Charles Webster's account of Palmerston's foreign policy between 1830 and 1841. . . Covers his first two periods at the Foreign Office under the administrations of Grey and Melbourne. Even during this limited period considerations of space have induced Sir Charles to omit the questions of British relations with the Americas and the Far East; and he has not felt able to include the vigorous efforts made by the British Government to implement the abolition of the slave trade. The book is therefore primarily concerned with the British attitude to the liberal movement in Europe, and to what used to be known as the Eastern question." Spec

WEBSTER, JOE, pseud. See Waldman, F.

WEBSTER, NOAH. Webster's new twentieth century dictionary of the English language. 2006, 376, 32p 11 maps (price in question) World pub.

423 English language—Dictionaries 51-1522

"Based upon the broad foundations laid down by Noah Webster; revised by the publisher's editorial staff under the supervision of Harold Whitehall; including appendices of foreign words and phrases, commercial and financial terms in eight languages, chronology of historical events, the charter of the United

Nations, 3000 illustrations, and a world atlas. . . This is a new edition of a dictionary which has been published before under the following titles: Webster's Imperial Dictionary; Webster's Universal Dictionary; Webster's Monarch Dictionary; Webster's Standard Dictionary; Webster's Twentieth Century Dictionary, Unabridged; and Webster's Universities Dictionary. Webster's Twentieth Century Dictionary (c1934) and Webster's Universities Dictionary (c1940) were reviewed in the Subscription Books Bulletin of October 1934 and October 1941 respectively." Subscription Bks Bul

"In telephone conversation, July 1951, the publishers stated that it was impossible for individuals or retail channels to buy Webster's New Twentieth Century Dictionary as the entire output had been contracted for by Doubleday Dollar Book Club, of Garden City, New York. It appears, therefore, that acquisition of the dictionary is at present contingent upon book club membership and that factors other than the value of the reference book itself may influence the prospective owner's decision to acquire it or not. Disregarding such factors, it is the opinion of the Subscription Books Committee that, although there are some improvements over the 1940 work in the 1950 edition and thirty-three additional pages of encyclopedic material in its appendices, Webster's New Twentieth Century Dictionary of the English Language will not replace, nor take its place with, the larger unabridged dictionaries in libraries and will not prove an adequate substitute for them in homes."

—Subscription Bks Bul 23:11 Ja '52
1750w

WEBSTER, NOAH. Webster's new world dictionary of the American language [general eds: Joseph H. Friend and David B. Guralnik]. encyclopedic ed 2v il col il \$22.50 World pub.

423 English language—Dictionaries 51-13549

"According to the Foreword, this dictionary is 'neither an abridgment nor a revision of some older volume but an entirely new work.' . . . There is one single alphabetical listing of vocabulary entries, biographical, geographical, legendary, Biblical and classical names, foreign words and phrases, as well as abbreviations. This arrangement deviates from that of some of the other standard desk dictionaries, but is the plan followed in the American College Dictionary. Simplicity of definition and stress on American usage characterize the New World Dictionary of the American Language." Subscription Bks Bul

"The work should not be confused with the Merriam-Webster publications: it is altogether more modern, scientific, and usable. A spot check on four hundred items either omitted or not properly covered in the existing desk dictionaries shows that the New World Dictionary is a really satisfactory job, measuring up to the modern lexicographer's ideals." S. S. Smith

+ Library J 76:2002 D 1 '51 300w

"An interesting and useful work."
+ New Yorker 28:122 Mr 15 '52 200w

"Libraries and schools will find the 'New World Dictionary' a valuable addition to their reference collections and the general reader who has the space to accommodate so bulky a book, will find its content useful and interesting." Anne Campbell

+ Sat R 35:12 J1 '52 700w

"Because of the size and consequently high price, \$22.50, the New World Dictionary does not replace the standard one-volume desk dictionaries. For libraries needing an up to date abridged dictionary specializing in American usage and featuring up to date encyclopedic material, Webster's New World Dictionary of the American Language is recommended."

"This is a book to be read with sadness and with great rejoicing. At his untimely death, Dixon Weeter was engaged upon a biography of Mark Twain which, if he had completed it upon the scale indicated, would have been longer and more definitive than Paine's. What he wrote, in this substantial volume, ends with Mark's departure from Hannibal in 1853. . . As literary editor of the Mark Twain estate, Weeter had access to the priceless wealth of unpublished Mark Twain papers. He drew upon them with fine discrimination. He also did a more thoro job of research among printed sources—contemporary newspapers, etc.—than any of his predecessors had done." Edward Wagenknecht

+ Chicago Sunday Tribune p3 Ag 31 '52
400w

"Surely this calm, quiet, thorough job is the definitive account of Mark Twain's early years. It is difficult to imagine it being done with more sympathy, accuracy, and imaginative insight. One can only regret the early passing of a scholar so well prepared to continue the life of one of America's best loved writers." Horace Reynolds

WEISSBERG, ALEXANDER. Accused; tr. by Edward Fitzgerald [Eng title: Conspiracy of silence]. 518p \$4 Simon & Schuster

B or 92 Prisons—Russia 51-14954

"Mr. Weissberg is a highly trained physicist, now fifty years old, Jewish in origin though not in religion, who joined the Communist party in Austria in 1927 and went to work in the Communist motherland in 1931. This book is his account, written from memory, of his experience of three years of Soviet imprisonment and interrogation during the great purge of 1936-'39. . . He stops his narrative on the bridge of Prest-Litovsk." N Y Herald Tribune Bk R

"The Accused is not a text in sociological theory. Absorbing as that type of writing may be, it nevertheless lacks the color and excitement, the sense of real adventure, which Weissberg's book so fully possesses. Devoid of all sociological pertinence, this book would assuredly still make enjoyable and engrossing reading. Containing as it does, though, so much of scientific worth, it enables the hard-pressed sociologist to combine business with pleasure." Arthur Barron

Canadian Forum 32:116 Ag '52 320w

"Obviously a man of uncommonly keen and lucid mind, with great powers of recollection and a distinct gift of narration, Mr. Weissberg has given one of the clearest and most convincing accounts both of the normal soviet prison routine and of the methods by which confessions of obvious absurdities are extorted. . . One may question as exaggerated some of the author's numerical estimates. But as a general panoramic view of the Great Purge, which Arthur Koestler, in his introduction, appropriately calls 'a catastrophe like the Black Death, a witches' sabbath of human reason,' it strikes a note of authority and conviction." W. H. Chamberlin

+ Chicago Sunday Tribune p3 D 30 '51 500w

"Each new book of prison experiences appears in an already overcrowded field and must justify itself by a unique understanding and explanation of events if it is to prove itself at all enduring. 'The Accused' meets the test. Alexander Weissberg has written a book about Soviet prison life that does justify itself. It is a huge, at times chronological, account of his arrest during the great purges of the later '30's, and it explains this period more adequately and finally than any book that has yet appeared." Francis Russell

WEISSMAN, RUDOLPH LEO. Investment company and the investor. 217p \$3.50 Harper 332.14 Investment companies 51-11964

"The introduction to this little volume states that it is written for the general public. Consequently, seven prefatory pages are devoted to an informal preview-summary, and three more to a collection of definitions. The body of the text, ten chapters covering 206 pages, discusses in turn the history of investment companies, the Investment Company Act, the operating policies and objectives of investment companies (including some case studies), closed-end companies, open-end companies, and the social significance of investment companies as providers of capital. Brief statistical tables and a short index are appended." Am Econ R

"Although the author's preface discloses his enthusiasm for the investment company idea, the book is dispassionate and free from prejudice on controversial points. It must be classed as a sound and worthy contribution to the literature of its field. . . Three disappointing aspects of the book may be noted. First, there are numerous references to or quotations from enticing sources, without source references. . . Second, the book appears to have been hastily written. . . Third, the book

fails to provide comprehensive summaries at many logical points." J. C. Clendenin

WEYGAND, MAXIME. Recalled to service [his] memoirs; tr. by E. W. Dickes. 454p ill maps \$6.75 Doubleday

944.081 [940.5344] World war, 1939-1945—Campaigns and battles. World war, 1939-1945—France. World war, 1939-1945—Africa 52-8054

In 1939, a week before the war began, General Weygand was recalled from retirement, and appointed to be Commander-in-Chief of the French forces in the eastern Mediterranean. This volume of his memoirs covers the

period from his appointment to his arrest by the Gestapo in 1942. Index

Current Hist 23:395 D '52 100w

"Weygand slides over his own hostility to the British and belief in their approaching defeat, which plenty of contemporaries observed; and his memoirs are thus a less detached record than they strive to appear." A. J. P. Taylor

New Statesman & Nation 43:530 My 3 '52 240w

"Recalled to Service" is a gracefully written and succinct account which should clear up much of the misapprehension surrounding his actions; and it is at the same time a major contribution to the history of France's defeat and of the difficult Vichy period." Gordon Craig
+ N Y Herald Tribune Bk R p7 O 26 '52 950w

"To call his book good history is too faint praise, though its well-reasoned passages and what it has to say in witness should dispel many of the sordid myths which have attached to the event. There is scarcely a false note in it, and there is absolutely nothing which is unfair, mean or belittling." S. L. A. Marshall
+ N Y Times p3 O 12 '52 800w

"In common with similar Vichy memoirs, these of Weygand are partly concerned with self-vindication, and at times the tone of self-righteousness becomes somewhat tiresome. But he has an inherently stronger case than many of the Pétainists, and it is clear that at several crucial moments he threw all the weight of his authority on the side of moderation. . . He professes 'an incredible naïveté' in political matters, but in some respects shows a shrewder sense of the subtler perils of collaboration than even Laval. In all, an important book." David Thomson

+ Spec 188:454 Ap 4 '52 900w

"An important addition to the growing mass of personal testimonies that have come from not only Mr. Churchill himself but also from MM. Paul Reynaud, Paul Baudouin, F. Charles-Roux, Yves Bouthillier besides other minor participants in these great events. In authority and in forceful self-expression it ranks second only to that of Mr. Churchill."

"Many people, with apparent ease, achieve a close emotional relationship with their dog. Mr. White attempted a comparable intimacy with a bird of the air. His strange passion was unreturned and ill-requited. But that he should have sought such a relationship, have so wooed a hawk, and, beyond that, that he should have managed somehow to tell the tale, puts him and his book in a category of their own." Geoffrey Taylor
 New Statesman & Nation 42:345 S 29 '51 600w

"That this book is written with sincerity and force nearly every one will admit. Not everybody, on the other hand, is going to find it pleasant reading and there is bound to be considerable difference of opinion concerning its mood and intention. By its admirers it will be called strong, manly, unsentimental. . . Others will object that the cult of violence is in its own way just as sentimental as its opposite and will suspect in Mr. White's glorification of violence something uncomfortably close to the kind of romanticism which inspired recent unsuccessful political experiments in certain parts of Europe." J. W. Krutch

N Y Herald Tribune Bk R p4 Mr 23 '52 750w

"It should be stated that this is no mere handbook; although we are introduced to the terminology and furniture of falconry, the information is rather sketchy and incidental.

Nor, according to my poor lights, is T. H. White the ideal hawk-master. He quivers excessively; try though he may, he is unable to conceal an inner tumult that must have been disturbingly apparent to so sensitive a creature as 'Gos.' . . Perceptive readers may feel that basic loves and antagonisms were loosed—and at least partly resolved—during Mr. White's struggle to dominate his hawk. It is this unstated, yet always-hovering motivation that gives the book its peculiar charm." H. M. Robinson

N Y Times p6 Mr 23 '52 450w

"An odd, tart, loose-jointed but generally engaging book, written with style and grace by an odd and wholly engaging man."

+ New Yorker 28:118 Mr 15 '52 160w

"While 'The Goshawk' is rich in the lore and language of a noble art and illustrated with some line drawings by the author, Mr. White has made it seem far more dramatic and philosophical than technical. Falconry, as he serves it up, is exciting as well as nourishing; it has the unmistakable flavor of literature. Because he has real news of the woods and of the night, something of importance to say about elementals, he has given us a rare and tonic kind of book." Lewis Vogler

WHITELEY, CHARLES HENRY. Introduction to metaphysics. 174p \$2.50 Beacon press 110 Metaphysics

"The author of this book, a lecturer in philosophy in the University of Birmingham, England, says in the preface: 'This book is intended for those without much experience in philosophy. Such a book should, in my opinion, deal principally with problems which seem to the general reader worthy of serious study. . . It should also, as far as possible, present connected arguments and definite points of view.' The book begins with expositions of the different theories about the relationship between mind and matter most favored by philosophers and scientists in 1951. . . Brief explanations are also given of some of the older modern classical views, such as were held by Descartes, Locke, Berkeley, Hume, Kant, and the Hegelians." (Crozer Q) Index.

"Any serious reader or any earnest student of college age can use this little book with profit." W. E. G.

+ Christian Century 69:342 Mr 19 '52 230w

"The references for further reading are well chosen. The different philosophical positions are presented impartially, leaving the reader to decide for himself which he will accept. Americans will miss discussion of Dewey and Whitehead; but probably their views are too involved for presentation in a book of this character." W. K. Wright

923.2 U.S.—Biography. Statesmen, American (50-12020)

"The twofold title of this book is indicative of its two main parts. The Who's Who in United States Politics constitutes the major portion of the volume; the American Political Almanac and the index to it occupy 183 pages. . . The book is intended for use by the general public. The Foreword stresses that information compiled in the work should be known by or available to all. Promotional literature, however, has featured in particular its value to editors, businessmen, political leaders, union leaders, libraries, and associations. Who's Who in United States Politics is divided into three sections: 'Who's Who in the Democratic Party,' 'Who's Who in the Republican Party,' and 'Who's Who in the Minority Parties' (American Labor, Liberal, Progressive, Prohibition, Socialist, and Socialist Workers)." Subscription Bks Bul

Current Hist 23:128 Ag '52 60w

"Who's Who in United States Politics and American Political Almanac provides a one-volume reference source with wide coverage in the field of politics. However, its arrangement and the lack of a complete index detract from its value for handy reference. Both parts of the book contain much information that has not been compiled in other single sources, but in many libraries the demand for these political minutiae may not be sufficient to justify purchase of the book. For many of those having Congressional Directory, Who's Who in Amer-

ica, World Almanac, and local directories, it would not be considered an essential purchase. Much of its value will depend too, on whether or not it is revised or supplemented with sufficient frequency. With this qualification, Who's Who in United States Politics and American Political Almanac is recommended for individuals and libraries that need and can afford a compendium of biographical and directory material and statistical data in the field of current American politics at national, state, and local levels."

WILDER, AMOS NIVEN. Modern poetry and the Christian tradition; a study in the relation of Christianity to culture [awarded the decennial Bross prize]. 287p \$3 Scribner

809.1 Poetry—History and criticism. Religion in literature 52-9424

"Two presuppositions seem to underlie Wilder's treatment of the theme which his title defines. The first is that the present state of the world is very much like the condition which Mr. T. S. Eliot predicts in 'The Waste Land'—dominated by the mood of frustration, disillusion, anxiety, disorientation and spiritual vacuity. The second is that the characteristics of form and diction which distinguish what is generally called 'modern' poetry (e.g. those which distinguish W. H. Auden or Dylan Thomas from Shelley or Browning) are not only excellent in themselves but are essential for any poet who would speak intelligently and intelligibly to this generation

about its highest concerns." (Christian Century) Index.

Booklist 48:317 Je 1 '52

"Tho we all stand in need of such nourishment as poetry and Christianity can supply, few will find Wilder's book digestible. Wilder has a profound fellow feeling for the modern poets of his selection, and is not put off by the presence or absence of any particular explicit creed. He well states the spiritual difficulties of modern man—his lostness, the dehumanization of his society, his catastrophic experience. He clearly states the individual's responsibility for social evil, and his access even now, and in many ways, to the means of grace." A. C. Ames

Chicago Sunday Tribune p2 My 11 '52 190w

"Since I would take issue with him on both propositions, even after they had been suitably softened, the very high expectation with which I approach any writing by Amos Wilder was considerably disappointed by the early chapters on 'cultural crisis' (mostly 'disintegration') and on various aspects of 'traditional' poetry. There is solid and informative stuff in these chapters, but they induced a mood more argumentative than appreciative." W. E. Garrison

WILLIAMS, DAVID RHYS. World religions and the hope for peace; with a pref. by John Haynes Holmes. 220p \$3.25 Beacon press
290 Religions 51-14426

"Eighteen of the influential seers and prophets of mankind, from Confucius, Akhnaton and Asoka to Baha'u'llah, Marx and Gandhi have been selected for treatment in this volume. A brief sketch of the life of each is given, and concise, yet generally accurate summary of the message of each one." Churchman

"As the goal of the book is to serve as a popular, inspirational introduction to comparative religion and as an appeal for the affirmation of world unity, one must not seek in it any far-reaching sociological or metaphysical analysis. Welcome must be accorded it as a genial, aspiring treatment by a religious liberal of the great theme of the possible unification of mankind." Ephraim Fischhoff

+ Ann Am Acad 282:166 J1 '52 900w

"The various chapters are very informal practical, nontechnical discussions which any intelligent layman could read with interest and great profit. It would be a mistake to think of this book as a history of religion or an attempt to expound the whole gospel of any one religion. Rather it presents in graphic fashion those ideas and ideals of the various religions that, if attended to and practiced, would lead toward a world of peace. This is a real service." C. S. Braden

+ Christian Century 69:281 Mr 5 '52 600w

"The author is particularly successful in characterizing the essential teaching of each leader. The style is clear, and will attract and hold the attention of any reader. The material presented will widen his horizon with regard to the significant contributions made to religion, both in the past, and in contemporary times, by great souls outside the Judeo-Christian communities." L. C. Porter

+ Churchman 166:16 F 1 '52 200w

"Although the book was printed late in 1951, it seems to have been written in 1949 and loses force through several comments which scarcely would have been made after the full communist conquest of China and the outbreak of the Korean war. Such fine and respected persons as the author and publishers might have made a more scholarly contribution had they given concern to revision in regard to both content and time. The work is so commendable in spirit, objective, and scope that one can hope that Dr. Williams will follow it with a substantial study which will hold a lasting place in libraries on comparative religion and world unity." WILLIAMS, JOHN HARGREAVES HARLEY. Healing touch. 370p il \$6.75 Thomas, C.C.

926.1 Physicians. Medicine—Biography

"Presents a number of picturesque individuals who have contributed directly or indirectly to preventive medicine and public health. . . . Around the following chief characters in each segment of the book the author has woven a delightful presentation of important personages who have contributed to 'the healing touch': William Knighton, James Clark, William Jenner, Florence Nightingale, Edwin Chadwick, Thomas S. Smith, C. E. Brown-Sequard; William Mayo, Charles Mayo." Am J Pub Health

"There is very little new with which physicians and nurses are not already familiar, but the book is written in easy style and it can be recommended highly as delightful reading and information for the laity. It would have been helpful to have an index of a large number of individuals mentioned in the book to whom the author has referred in key references at the end of the volume. The format of this delightful book is excellent and the eight illustrations which appear in the volume add considerably to it." R. A. Bolt

WILLIAMS, THOMAS HARRY. Lincoln and his generals. 363p il \$4 Knopf

973.74 Lincoln, Abraham. Generals. U.S.—History—Civil war 51-13211

In his Preface the author explains: "I have written in this book the story of Abraham Lincoln the commander in chief. I have not written a military history of the Civil War or a group biography of the principal Union generals or a description of the military organization of the North, although there is something of all of these in the book. My theme is Lincoln as a director of war and his place in the high command and his influence in developing a modern command system for this nation. Always I have tried to describe and evaluate Lincoln's acts as a war director from the perspective of military developments since 1865 and to measure the correctness of his decisions by the standards of modern war." Bibliography. Index.

"An admirably planned and executed work which well fulfills the author's expressed hope that it will contribute both to the history and to the understanding of the American command system." R. S. Henry

"To say Mr. Willingham tells a story of four young persons living in the pseudo-intellectual, pseudo-Bohemian fringe of New York is putting it too simply. He doesn't tell a story; he rambles, but the rambling is exceedingly good. . . It is the talk, the point of view, the atmosphere of a segment of youth expressing itself in the action and idiom of the present that give the book its vitality and color. . . The denouement, in which four young persons come of age, has a wry poignancy that stems from an unsuspected challenge to stop playing at life." Rose Feld

+ N Y Herald Tribune Bk R p15 N 30 '52 300w

"Since the tone Mr. Willingham has chosen is limiting, he has not scrupled to break through it, derange it, falsify it and ignore it, as necessity requires. When the discipline of the framework loses its authenticity it loses force as well and at times becomes a somewhat tedious and irritating device. But the author periodically recovers the reader to himself by his more amiable talents." Gertrude Buckman

N Y Times p22 N 2 '52 330w

WILLINGHAM, CALDER—Continued

"[The] prose casts a strange neon light on every scene, so that in retrospect the story has a garish and unreal aspect, but this is still a very nice book."

+ — New Yorker 28:130 N 1 '52 40w

"It is told in selfconsciously illiterate fashion that is supposed to be amusing, now in the first person, now in the third person. There are the customary references to sex, normal and perverse. There are pages of bombastic dialogue by unpleasant characters. And there is a final attempt to explain the whole thing away as an elaborate joke on the reader. That it is."

WILLINGHAM, CALDER. Reach to the stars. 223p \$3 Vanguard

51-14302

Story of a bellhop's experiences in a Hollywood hotel, inhabited by eccentrics.

— Kirkus 19:540 S 15 '51 160w

"Calder Willingham's view of the world is a grim one, and it does not appear to be controlled adequately to the purposes of art. 'Reach to the Stars' fails in impact because its individual scenes and characters, though largely static, have more validity than its total design. Thus scenes, situations, and characters are more or less right, but they do not give the feeling of inevitableness." Gene Baro

+ — N Y Herald Tribune Bk R p40 D 2 '51 320w

"Like everything Willingham has written so far, 'Reach for the Stars' is intensely readable. Indeed, he writes a kind of lubricated prose that reminds one of the early Dos Passos. But the book is full of verbal muscle flexing which his own blue pencil should have eliminated. The novel, as such, has no plot. The author goes on picturing the hotel and its screwball residents for the requisite period, then abruptly ends the book as though he had tired of it." J. B.

WILLOUGHBY, CHARLES ANDREW. Shanghai conspiracy; the Sorge spy ring. Moscow, Shanghai, Tokyo, San Francisco, New York; pref. by Douglas MacArthur. 315p il \$3.75 Dutton

364.13 [351.74] Secret service—Russia. Sorge, Richard 52-6604

The report of General MacArthur's intelligence chief on the soviet military intelligence

operations in Shanghai, as revealed thru the confessions of Richard Sorge. Contains a chapter on "Agnes Smedley and the war department." No index.

Booklist 48:223 Mr 15 '52

"'Shanghai Conspiracy' is so well written that it holds the reader's attention from start to finish and should be a best seller. Unfortunately, Gen. Willoughby's account of how the war department in 1949 was intimidated by Agnes Smedley and her 'liberal' champions into disavowing his original G-2 Tokyo report exposing her as a soviet spy, raises disturbing questions." Freda Utley

+ — Chicago Sunday Tribune p3 F 10 '52 650w

"Despite the fact that the book is hastily assembled and inadequately thought out in advance, there is considerable interest attached to the confession which Sorge wrote just before his hanging. . . General Willoughby will find much to support his basic theme that almost anyone in our midst might turn out to be a Soviet spy. But the general opens himself to closer scrutiny when he solemnly warns that Soviet agents who were freed from Japanese prisons at the end of World War II are 'secretly plying their trade in the world's capitals.' What the general omits saying is that these men—all of the secondary accomplices of the Sorge ring—were released from Japanese prisons in 1945 under the authority of General Willoughby's own G-2 section." Gordon Walker

Christian Science Monitor p9 F 16 '52 650w

"General Willoughby has distinguished himself lately by denouncing as defeatists several reputable war correspondents who reported the American defeats resulting from Chinese intervention. This time, however, the general is on reasonably firm ground. . . [His] interpretations and conclusions are sometimes less convincing than his narrative." H. C. Hinton

Commonweal 55:479 F 15 '52 250w

Current Hist 22:380 Je '52 60w

Foreign Affairs 30:684 J1 '52 20w

"Many things are puzzling in this book. . . It is just as hard to discover the principles by which General Willoughby evaluates evidence as to discover the principles governing his moral judgments. . . It would still be wrong to take his book too lightly. It has some importance. It is important, not for what it proves or fails to prove about individuals whom it charges with Soviet espionage, but because it reveals so clearly the professional standards and the political values of the officer in whom General MacArthur presumably placed full confidence to help him assess the military and political situation in the Pacific from 1941 to 1951. General Willoughby is right in believing that he has written a frightening book." W. M. Ball

— Nation 174:206 Mr 1 '52 1100w

"General Willoughby's book is heavily studded with names, and we can thank him for pointing the finger at those who are knowingly participating in a movement that threatens the foundations of the American way of life. One may question, however, the necessity of bringing into a book of this kind the names of persons of good reputation who happen to have been unwittingly exploited as sources of information by members of the ring." A. T. Steele

+ — N Y Herald Tribune Bk R p4 F 17 '52 1080w

"There is no need to discuss the literary quality of this book. It has none. Evidently hastily written and published, it is poorly organized and edited. The public will have to value the book chiefly for the well-established record it presents of one of the most effective spy rings in modern times." Anthony Leviero

N Y Times p3 F 10 '52 1250w

"General Willoughby is neither a writer nor a good organizer of material, and he is terribly emphatic. The facts, however, are absorbing."

New Yorker 28:92 Mr 1 '52 210w

"A rather poorly organized book; it is neither the exciting spy-thriller an experienced writer could have fashioned out of this material, nor the cool and penetrating analysis of a global

problem one would expect from a high Intelligence officer." Leo Lania

Library J 77:1507 S 15 '52 120w

"The book is extremely lively, and the characters are drawn with unusual incisiveness and glitter, while the stout, doll-like procuress, obscenely terrifying, is a figure of very considerable power." Elizabeth Jenkins

Manchester Guardian p4 J1 18 '52
240w

"'Hemlock and After' is the serious novel of a gifted amateur. It is rich in conversation and characters and deficient in action. What was meant to be its central theme is never realized as fiction. In this country it may become fashionable, for it is often determinedly sophisticated and is very amusing." Ernest Jones

+ Nation 175:331 O 11 '52 750w

"Hemlock and After is not only a novel designed to appal, and one which in a large measure succeeds in its aim; it is, incidentally, very shocking." J. D. Scott

— New Statesman & Nation 44:142 Ag 2
'52 750w

"Angus Wilson is an English writer who, on the strength of a couple of volumes of short stories and now this first novel, 'Hemlock and After,' has been hailed as the most important postwar literary discovery on that side of the water. Recollecting how few those discoveries have been, one might find this judgment as hard to dispute as to affirm; but at least we may agree that Mr. Wilson's sword is bright, and that it looks perhaps brighter because the air in which he flashes it is so murky." James Hilton

+ N Y Herald Tribune Bk R p3 O 5 '52
600w

"Mr. Wilson has not fashioned a perfect novel. At times, its variety becomes confusion. The cast of characters has a tendency to get out of hand. These are minor faults. Mr. Wilson's two collections of short stories, 'The Wrong Set' and 'Such Darling Dodos,' established him as a master of fiction. His book can be criticized only in terms of his own achievement; it stands out among novels by new writers that have been published in recent months. Angus Wilson seems on the way to join his illustrious seniors, the company of Forster, Firbank, Joyce Cary, and, to this reviewer, he doesn't have far to go." W. F. Weaver

+ — N Y Times p4 S 28 '52 300w

"In the end the book's serious intentions vanish and one is left with the small compensation of a minor comic success—what might have been a very good psychological novel is giggled away until there is little left to interest one but a display of quite remarkable technical ability." Anthony West

New Yorker 28:113 S 27 '52 1300w

"'Hemlock and After' is an important novel. It will probably become a controversial one. Certainly it establishes Angus Wilson as one

of the major English fiction writers of the last ten years." William Peden

Sat R 35:35 O 4 '52 450w

"An important novel on a major theme. It is also an exceedingly witty novel, the wit being of the kind that spits its victims instantaneously and precisely as with a hat-pin, not only epitomising but immobilising them. Indeed, in the first chapters the novel is brought almost to a standstill, Mr. Wilson having transfixed everyone with such deadly accuracy that their careers seem finished." L. A. G. Strong

+ Spec 189:110 J1 18 '52 550w

"Author Wilson seems to see his novel as a modern morality play. In its terms, vulgarity is evil, good taste is grace, 'to let life bore you' is the cardinal sin, and no one is ever saved from anything. His crisp prose style and his deft aim with the acid of satire keep his novel from being pointlessly sordid. But as the parade of homosexual flirts, pimps and spivs crosses its pages, it becomes uncertain whether Author Wilson is exploring the lower depths of England or of Hell."

Time 60:97 S 29 '52 550w

"It is an ambitious book, and essentially a moral one, a savage exposure of corruption in a disintegrating society. The theme is the tragic inadequacy, in the face of this, of the liberal humanist, whose impotence and final defeat are presented with anger and sadness. The sense of evil is strong in Mr. Wilson, and it is released through caricature. . . His wicked and his funny characters are monsters of brilliant exaggeration, his good people are relatively insipid."

"The frustration of trying to write about 'The Shores of Light' in a brief space is heightened by the book's leisureliness, for, in most cases, Mr. Wilson talks so well about a subject that the words have their own savor to be relished at leisure. It is the kind of book which fills a newspaper reviewer with envy, for Mr. Wilson has the rare ability of making readers want to talk back." Fanny Butcher

Chicago Sunday Tribune p4 O 26 '52 400w

"Wilson has made mistakes; his judgment of Edna St. Vincent Millay was much higher than it probably would have been had she not been his close friend. He does not always hew to his own perception of the critic's work. But he knows when he departs, his departures are very few and he always returns. This book of almost a hundred pieces could well be used as a critic's guide." Frank Getlein

+ Commonweal 57:262 D 12 '52 550w

"How much valuable work has been assembled in this cabinet, as if for easy reference! Two pieces that call for special mention are the prologue and the epilogue, both newly written." Malcolm Cowley

+ New Repub 127:17 N 10 '52 1650w

"No one of his day has excelled Wilson in the writing of the distinctly personal tribute to his friends, in the writing of a 'portrait' that discloses the emotions, the mind of the artist, as well as the sifter. That is why the present book transcends its flaws in taste, its bulk, its less enduring moments of journalistic opinion and controversy." Horace Gregory

+ N Y Herald Tribune Bk R p1 O 26 '52 1050w

"Although based on public papers, this is a very personal book... Yet for readability and the pleasures of variety, these all add to the interest of an uncommonly stimulating book." Charles Poore

+ N Y Times p1 O 26 '52 950w

"Ordinarily, few of us would take at one blow from any critic—no matter how much he had suppressed, put in, rewritten, and polished—ninety-seven book reviews and essays. But Edmund Wilson is not like any other critic: some critics are boring even when they are original; he fascinates even when he is wrong. And the book itself is unusual, to begin with, because not since Randolph Bourne and H. L. Mencken have we had another critic whose back pieces could so naturally and still so vibrantly bring forth a vanished age." Alfred Kazin

+ New Yorker 28:181 N 15 '52 1300w

"It does not contain his very best literary and social studies; these are to be found in his first three collections of essays and in his 'To the Finland Station.' But it contains much that is excellent and intelligent, and much that throws a new light on an author and on Mr. Wilson himself." Herbert Ruhm

+ San Francisco Chronicle p16 N 9 '52 550w

"He is, take him all-round, our best critic. His standards are high but not narrow. He is serious, but (O, rare!) he writes well. He brings together wide reading and intelligence. He writes to inform and entertain: to illumine. Compared to 'Axel's Castle' and 'The Wound and the Bow,' 'The Shores of Light'

is in its nature minor work; its attempts are slighter." W. T. Scott

+ Sat R 35:25 N 15 '52 500w

"To those who find it easy to declare that American criticism in general brings a stuffy, insensitive tone of voice to the subjects it discusses, Mr. Wilson's book will be coolly refreshing... This is a book which will gain greatly in interest as time goes on, since the years that it covers saw the final emancipation of an American literature."

+ Times [London] Lit Sup p811 D 12 '52 1000w

WILSON, GUTHRIE. Julien Ware. 315p \$3.50 Putnam

52-5273

Julien Ware, a New Zealander, is the hero of this novel. Born to poverty he struggled to advance himself, and succeeded so well that he married the daughter of a wealthy landowner. The marriage was not a success, and as he lay dying in Italy, as the result of the war, Julien realized it was patient Beth he should have married.

"This is an unusually well plotted novel, shaped by strong forces of pride, ambition, and desire. Its central character has a very human and entirely convincing complexity. In him an inner contention leads inevitably to a contention in his outward life." Walter Havighurst

+ Chicago Sunday Tribune p8 S 14 '52 320w

"This silly story has not a single virtue. The characters are preposterous, the plot is sophomoric, the incidents are sentimental, the descriptions are stilted, the writing is unnatural and unpleasant." George Miles

WINSTON, CLARA. Closest kin there is. 244p \$3 Harcourt

52-6456

Tragic tale of the love of a brother and sister, set against a background of a bleak, New England farm.

Booklist 48:379 J1 15 '52

Reviewed by Edmund Fuller
Chicago Sunday Tribune p4 J1 13 '52 290w

"There is a strong, restrained psychological treatment of an unhappy and abnormal family relationship, and though it may be informative it is not inspiring. Granted that the characters are as portrayed, the end is inevitable, and Zola couldn't have handled the theme better." L. E. Cannon

Christian Century 69:1288 N 5 '52 100w

"Clara Winston, in her first novel, has traveled far into the forest of human misery and despair, and has emerged with an absolutely tender and moving tale of farmfolk trapped in the horror of incest. The horror is not overdone; it is quietly there. It does not overwhelm the reader, nor is the reader overly conscious of anything sordid." T. E. Cassidy
+ Commonweal 56:348 J1 11 '52 550w

"A distinguished piece of writing. But recommended cautiously."
+ — Kirkus 20:327 Je 1 '52 200w

"Lack of originality in plot (the Electra theme is apparently indigenous to New England) is compensated for by good writing which establishes a mood, suggests a scene and never insults the reader by over-writing." M. P. McKay

+ — Library J 77:1013 Je 1 '52 90w

"It is extremely well written, a dreadful book, with a serene intensity of suffering, a vividness that reminds one of the uncanny clearness of atmosphere in air so cold it burns. The situation is not romanticised nor made poetic, yet it has the grace inseparable from simplicity, grief, and youth. The treatment is realistic and rational and the tragic climax is one of those endings which are most moving but at the same time devoutly to be wished." Elizabeth Jenkins

+ — Manchester Guardian p4 O 12 '52 140w

"One note of disappointment must be registered. Throughout the novel it is mostly Phyllis who provides the viewpoint, though the story also records much of Lloyd's perspective. At the end Phyllis acts again as the instrumentality of the author's intention, for she culminates the tragedy. Yet just here we lose contact with the girl's mind. The clipped economy of style, having served the book with such distinction till now, becomes, in this exaggerated form, a stumbling block to its conclusiveness. Even that, however, does not impair the power of 'The Closest Kin There Is.'" Frederic Morton

+ — N Y Herald Tribune Bk R p3 Je 22 '52 650w

"This is a bold and bitter story, ruthlessly portraying that back-breaking slavery to a farm which masquerades as independence; that existence in which a man could do his work every day of his life and still be no further ahead than when he started. The warped characters created by such servitude are bravely drawn. I hope though, for her peace to be, that Mrs. Winston moved out of Vermont before her novel's publication." F. F. Van de Water

N Y Times p14 Je 22 '52 350w

"A gentle and rather anxious novel, written without much originality but with great care."
+ New Yorker 28:85 J1 12 '52 110w

"Competent first novel. . . Viewed from the vantage-point of hindsight, the dark and fruitless lives of the Darys are seen to comprise a rather special case, and do not attain permanent credibility. However, it is to Clara Winston's credit that credibility is maintained, with only occasional lapses, during one's actual immersion in the story, for her rather spare, brief style of narration does not permit of much psychological analysis and it forces her statements of action to carry their own authenticity. But she has a sure sense of the storyteller's craft." Jerome Stone

WITTKÉ, CARL FREDERICK. Refugees of revolution; the German forty-eighters in America. 384p \$6 Univ. of Pa. press

325.243 Germans in the U.S. Refugees, Political 52-8238

Scholarly study of the influx of German refugees of the 1848 revolution into the United States. The author, dean of the Graduate school of Western Reserve university, considers the influence of these refugees on the Germans already in the United States, and on American life. Index.

"It is a long, detailed, and valuable work: the style is lucid if not lively, the material is carefully chosen and presented clearly, and the research and scholarship evident but not obtrusive. The format of the book is excellent. . . The main criticism—its encyclopedic character with long lists of names and details—one is scarcely free to comment upon because Dean Wittke has carefully disarmed the critic by his statement in the preface that 'it seems unlikely that anyone will cover such a mass of newspaper material soon again' and that he is writing 'for serious scholars of the history of immigration.'" A. F. Tyler

+ — Am Hist R 58:134 O '52 1050w

"Carl Wittke's book Refugees of Revolution describing the German Forty-Eighters in America has added greatly to our knowledge of this interesting period in American life and has made various phases of the turbulent nineteenth century more distinct and clear." H. W. Elkinton

+ Ann Am Acad 283:200 S '52 480w

"Recommended." Joseph Borome

+ Library J 77:590 Ap 1 '52 130w

"It is not the first time that the Forty-Eighters have become the object of historical research, but this book is the most comprehensive. Perhaps Mr. Wittke's main achievement is his skillful distribution of emphasis. He does not neglect the mute and bewildered masses, and yet he succeeds admirably in painting a collective portrait of their vociferous and often belligerent leaders." Dieter Cunz

+ N Y Times p5 J1 13 '52 600w

"It is unlikely that anyone will probe more deeply than Dean Wittke into the record made by these exiles. He has read widely in the contemporary German language newspapers and has exhausted all of the normal and many of the obscure sources of information. . . One finishes this scholarly volume with a new conception of the extent and depth of the influence of these immigrants on social, intellectual, and esthetic life in the United States." C. M. Fuess

+ Sat R 35:46 My 3 '52 800w

"Written with controlled enthusiasm, the book moves swiftly for all of the burden of names and incidents which it bears. It is weak in generalization but rich in substance, careful in discrimination, and sharp in sensitivity. Refugees of Revolution takes a place among the leading studies of American immigrant groups."

"His gift of observation and flair for presentation produce very readable book. Recommended for public libraries." H. H. Bernt

+ Library J 77:1653 O 1 '52 100w

"Before the war Mr. Wittlin was the editor of Warsaw's satirical journal, 'The Barber of Warsaw.' His novels and short stories have been published over a span of more than twenty years. He now lives in New York, and writes scripts for Voice of America broadcasts. His book, 'A Reluctant Traveller in Russia,' stands out among the crop of books on the general topic by reason of the author's literary skill. Some of his vignettes have the quality of O. Henry short stories." Marcus Duffield

+ N Y Herald Tribune BK R p5 N 16 '52 310w

"The book's graphic descriptions of a fire in the Siberian forest or of a white, sub-Arctic night have the melancholic touch of genuine poetry. Although the author isn't able to keep up this stylistic pace, his book is engrossing throughout." J. R. Fiszman

+ N Y Times p39 N 9 '52 300w

"The author attempts to apply to this nightmarish topic his professional training and skills as a writer. He does this through a series of vignettes. The vignettes vary greatly in quality; a few are lyrical and moving, others seem disjointed and incomplete. As to the Soviet Union, Wittlin apparently wants to show that alongside its abnormalities of poverty and dirt and regimentation one can detect normal joys and normal hopes. In contrast to this, almost all other eyewitness books paint a far more negative picture of the USSR, a picture totally in dark colors." George Fischer

+ Sat R 35:19 D 20 '52 750w

"Mr. Wittlin's characters, particularly his Russians, tend to be stylised, and do not stand out as individuals from the pages of his book. This detracts from the value of the narrative, and may well spring from the perhaps unconscious tendency to personify the qualities of ignorance, primitive brutality and utter faithlessness which bitter experience has taught the Poles to associate with their Asiatic neighbours. . . This book is depressing; it is a chronicle of survival and contains scarcely a hint of hope for the future. But it is a facet of the truth about Russia seen from a particular angle, and it should be read." Richard Chancellor

Spec 188:586 My 2 '52 450w

"His narrative is telling and deft, but it explains nothing."

WOLFE, BERNARD. Limbo. 438p \$3.50 Random house

52-5165

"This first novel is a mélange of Huxleyan fantasy and E. Phillips Oppenheim melodrama, together with serious dialectal overtones reminiscent of Dostoevsky and Thomas Mann. 'Limbo' eludes classification. It is much more than an intellectualized Captain Video excursion into the world of 1990, and something less than an irreprehensible novel of ideas. Rather than being a novel at all, it is a commentary in fictional terms upon tendencies and forces in contemporary civilization which are quite capable, Mr. Wolfe believes, of destroying all of us." N Y Times

Booklist 49:141 D 15 '52

"Since I write science-fiction stories myself, I hesitate to say anything against them. I have the lurking fear of being judged as I judge.

However, one must speak the truth. I had to hang on tight to both covers to finish this novel. Between them were 438 pages of the most turgid, frantic, self-admiring prose I have ever encountered." Fritz Leiber

— Chicago Sunday Tribune p4 D 21 '52 310w

"I don't claim that Mr. Wolfe has really outdone his predecessors. The competition is obviously stiff; and he juggles such a swarm of ideas that he tends to baffle. What is certain is that he has written something exciting and opulent and grandiosely comic. Limbo is one of the few that are truly memorable." Geoffrey Ashe

+ Commonweal 57:311 D 26 '52 420w

"There's a deeper intent here to give this its distinction and possible attraction over and above the science fiction field."

+ Kirkus 20:519 Ag 15 '52 200w

"Several rapturous pages, apparently written by Lady Chatterley's gamekeeper, Oliver Mellors, in Hecate County, may make libraries think twice about buying. However, a powerful, unpleasant, well-plotted, and decidedly thoughtful piece of work." E. F. Walbridge

— Library J 78:56 Ja 1 '53 100w

"Mr. Wolfe's satirical ideas are sound enough: masochism carried to its ultimate and sexuality transposed. His solution, human acceptance of the ambivalence or duality of instinct, is also sound. But he takes such liberties with science that his story is outrageous. One is amazed by the documentation—but never convinced." Philip Wylie

N Y Herald Tribune Bk R p11 D 14 '52 440w

"'Limbo' is a fascinating, disturbing and irritating hodge-podge. The thinking reader may praise or damn it, but he is not likely to ignore or forget it." William Peden

N Y Times p46 N 30 '52 400w

"Mr. Wolfe's book, which is extremely long, is an arch mixture of psychology, fantasy, and science, and is written in a style as hard, as flat, and about as engrossing as a cement wall."

— New Yorker 28:178 D 13 '52 70w

"Excellent first novel." H. C. Webster

WOODHOUSE, CHRISTOPHER MONTAGUE. Greek war of independence; its historical setting. 167p \$2.25; text ed \$1.80 Longmans

949.5 Greece, Modern—History [52-10008]

"The story of the Greeks' rising against Turkish rule in 1821 has usually been told as an isolated episode, without relation to any wider historical scheme. The aim of the present work is to correct that representation in two respects: firstly, by relating the Greek War of Independence to the general history of Europe contemporary with it; secondly, by relating it to the chronological continuity of the whole history of the Greek people." (Publishers' note) Bibliography. Index.

School & Society 75:303 My 10 '52 10w

"A work of great interest. . . Mr. Woodhouse's Apple of Discord is already the classical work on the resistance movement of the recent war; his present work will be indispensable to any student of Greek history in the nineteenth century." Bickham Sweet-Escott

+ Spec 188:654 My 16 '52 550w

"The subject requires an unusual range of experience, in diplomacy, guerrilla warfare, geography, modern Greek literature, and, perhaps above all, understanding of the Greek character. In this combination of qualities Colonel Woodhouse has few rivals, and he has used it to make an original and carefully defined approach to his theme."

WOODWARD, COMER VANN. Origins of the new South, 1877-1913. (History of the South v9) 542p il \$6.50 La. state univ. press

975 South—History 51-14582

"The author objects to the term 'New South,' since he considers it inappropriate for developments and institutions dating back 50 to 75 years, but employs it because it is commonly used to describe the Southern States in the period between the Civil War and World War I. Examines such topics as the reconstruction years, the industrial revolution, the farmer's poor economic position, feeling against the industrial Eastern states, the growth of the white supremacy school of thought, Northern philanthropy, and the gradual resurgence of the South as a political power." Booklist

WOODWARD, C. V.—Continued

"Beyond all question this is the most valuable book that has been written about the South in these years. Because of its freshness of view and its critical scholarship in a period long neglected, it is the most useful volume of 'A History of the South' that has appeared. Although the awkward dates assigned to the volume prevented a clearly defined synthesis, the book clearly establishes the author's primacy among the scholars of the 'New South' (a term which he righteously deplores)." W. B. Hesseltine

Chicago Sunday Tribune p5 Ja 20 '52 350w

"I do not pretend to know a great deal about southern history. Perhaps that is why I found something new in every chapter of Woodward's book. But for that reason reading the book has been for me an immensely stimulating experience. I believe that a great many other Americans, if they read it, will also find it stimulating." Paul Hutchinson

+ Christian Century 69:160 F 6 '52 900w

Current Hist 22:103 F '52 60w

"Today's Southern problem is the result of the historical processes which Professor Woodward so admirably analyzes. Perhaps one of the most hopeful things about the present-day South is the fact that such Southerners as Mr. Woodward can think so critically and write so clearly about its past." David Donald

+ Nation 174:483 My 17 '52 900w

"Mr. Woodward's thoroughgoing and well written volume is a work of real distinction and great importance. In scope and authority it clearly supersedes all previous accounts of the New South, and the general history of the United States between Reconstruction and Woodrow Wilson will have to be rewritten in certain important respects in the light of it. . . To some people this may seem a disheartening book but it is a devastatingly honest one, highly illuminating and, to my mind, convincing. In the present state of knowledge it seems open to exception only with respect to certain nuances of interpretation." Dumas Malone

+ N Y Herald Tribune Bk R p3 D 23 '51 1350w

"To a much greater extent than the usual run of histories, this is a pioneer work. It is full of new detail and exceedingly rich in fresh interpretation. Its quality is such that henceforth no one who has not explored its pages can consider himself informed in any aspect of the so-called New South. In writing this outstanding book, Vann Woodward, already distinguished for his 'Tom Watson' and 'Reunion and Reaction,' clearly establishes himself as a leading figure among Southern historians." B. WORMSER, MARGOT HAAS, and SELLTIZ, CLAIRE. How to conduct a community self-survey of civil rights; with a foreword by Gordon W. Allport. 271p \$3.75 Assn. press

309.1 Social surveys. Civil rights

"A manual produced by the Commission on Community Interrelations of the American Jewish Congress, and based on the findings of an actual survey made by the citizens of an anonymous New Jersey community. The introduction points out that citizens who participate in a self-survey not only become interested in uncovering actual conditions but also feel a responsibility for correcting abuses, in contrast to the indifference and distrust of a community studied by outsiders. The main body of the text examines the methods and techniques used and sets up general principles for making a survey." (Booklist) Index.

"In general [the book] appears to be a useful manual although the section on interviewing is not as satisfactory as Interviewing for NORC published by the National Opinion Research Center. If the numerous caveats are adhered to, moderately conscientious people may be dissuaded from doing surveys at all. But rash people may be overly encouraged by the tone of the book which accentuates the positive. The thoroughly qualified sociologist of course will have occasion to use [it] only for pedagogical purposes and it may serve this purpose well." Leonard Broom

Am Soc R 17:381 Je '52 400w

"The book should prove of much value to persons interested in making a study of civil rights. It will do much to keep the persons active in the study, who will be principally untrained persons, from allowing their emotional interest in the subject to divert them from a true evaluation." M. C. Elmer

Chicago Sunday Tribune p5 Ja 27 '52 380w

Kirkus 19:521 S 1 '51 160w

"If she was worth a book at all this is just about the sort of biography *Speranza* deserved, for it puts her firmly in her place in Irish literature and English society." G. F. Manchester Guardian p4 My 22 '51 230w

"A careful biography of Sir William Wilde was published some years ago, but Mr. Horace Wyndham's study of Lady Wilde is less satisfactory. His acquaintance with the revolutionary movement led by Thomas Davis and Gavan Duffy is obviously slight, and as there are few records of the literary salon which Lady Wilde maintained in Dublin, he has eked out his descriptions by borrowing from later accounts of her life in London. . . Of the various inaccuracies in this book, one may be mentioned: Lady Wilde's father was not a Wexford attorney but a retired Indian Army Officer."

New Statesman & Nation 41:574 'My 19 '51 270w

"Mr. Wyndham has not written the book which *Speranza* deserves. His presentation seldom gets beyond the stage of scissors and paste. He has extracted all the well known anecdotes about Lady Wilde and her salons, and has strung them together in rough chronological order. The result is both repetitious and superficial." Delancey Ferguson

N Y Herald Tribune Bk R p14 Ja 27 '52 550w

"Delving into many sources Wyndham has succeeded in evoking a picture of this minor Victorian with kindly humor and with the right sense of her place in the literary scene of Dublin and London. . . You could scarcely call Mr. Wyndham's biography a profound piece of work. It is a sympathetic sketch of a woman who had a tendency to see a swan in every goose and whose philosophic temper found consolation in reading Aeschylus when the bill collector was at the door." Jane Voiles

+ — San Francisco Chronicle p19 Ja 6 '52 650w

Reviewed by St. John Ervine

Spec 185:562 Ap 27 '51 900w

"Nowadays people write about the literary salon with affectionate retrospection that makes us feel such an institution should be revived, if only to make this age of scientific impedimenta more bearable, and this is the effect Horace Wyndham's *Speranza* had on me. Not only is it an engaging biography of Lady Wilde, mother of the famous Oscar, but a

fond resuscitation of a way of life that has vanished." Richard McLaughlin

+ Theatre Arts 36:24 F '52 500w

"Superficially, *Speranza* was so extravagant in her claims to possess genius, so lacking in the solid virtues, so devoid of critical judgment of herself or others, so extreme in her vanity and ostentation, that only a profound study of her character and the circumstances of her life, based on a real knowledge of psychology, would be interesting. Mr. Wyndham has not attempted to enter into questions of motive or achievement."

WYNNE, JOHN PETER. *General education in theory and practice*. 251p \$3.75 Bookman associates

370.1 Education, Higher 52-9879

"A discussion of general education—namely, over-all education as opposed to strictly vocational education—which distinguishes between the aims, methods, and results of educational systems based on broad concepts of education. . . For educators primarily, but of interest to anyone concerned with the implications of education." (Booklist) Index.

Booklist 48:332 Je 15 '52

"There are interesting chapters on the organization of courses in general education for the ends of these desirable qualities of experience; the methods of teaching such courses; the extracurricular activities and their contribution to general education. . . But something is lacking. As an erstwhile teacher, this reviewer can follow with enthusiasm much of what Wynne says about the recognition of the growing importance of general education and the necessity of desirable qualities of experience being the framework of such education. . . One serious omission, however, presses itself upon this reviewer. Nowhere in this book is there adequate, or even attempted, presentation of the procedures whereby the average teacher in the average classroom associating with the average student shall interpret these fine ideals from experience into the group-activity of Sally, Sam and Stanovich." K. I. Brown

+ — Christian Century 69:1002 S 3 '52 1000w

"General Education in Theory and Practice' provides a thoughtful and challenging analysis, although communication of the author's meaning is occasionally impeded by his categorical treatment. Some further reference to the literature of general education and illustrations drawn from current programs would doubtless have made the presentation easier to grasp and more meaningful." H. T. YEN LIANG. See Liang, Y.

YERBY, FRANK GARVIN. Saracen blade. 406p
\$3.50 Dial press
52-5616

Romantic story of Pietro di Donati, an Italian armorer's son, who was born in the same town at the same time as the Emperor Frederick II. "Part heretic, part crusader, part knight-errant, Pietro moved through many lands: Sicily, Italy, France, Germany, the Holy Land, Egypt—in which fabled land of mystery he was to find that strange, half savage creature Zenobia, the Greek slave girl whose love for him and her great sacrifice paved the way for his ultimate happiness." (Publisher's note)

"Frank Yerby has finally turned his unquestionable talent to writing an historical novel, abandoning in part a format that has sent six successive novels in as many years into the best seller class. The result is good and should further enhance his popularity." William Yates
+ Chicago Sunday Tribune p5 Ap 6 '52 240w

"Could have been told on the level of good picaresque adventure, but in Yerby's hands, almost predictably, the lusts of the day outweigh the valors."

Kirkus 20:238 Ap 1 '52 160w

"In 'The Saracen Blade' it is evident that Mr. Yerby is trying to get more sincerity, more intellectual content, into his writing than he has shown in his previous formula romances. He has always, even in the more obviously 'popular' of his novels, shown an awareness of class and color problems. Here he appears to be showing us the seeds of the democratic revolution that was to come."

N Y Herald Tribune Bk R p18 S 21 '52 250w

"There are some inaccuracies. I doubt that bougainvillea, named after the eighteenth century French admiral, Bougainville, spilled over Italian walls 'as dark as the blood of martyrs' in the year 1200, nor did men boil their drinking water to kill germs. But the wider panorama is splendid and so is some of the detail—particularly Mr. Yerby's descriptions of medieval Palermo and Cairo." T. C. Chubb

ZALEZNIK, ABRAHAM. Foreman training in
a growing enterprise. 232p \$3.50 Harvard
univ. Division of res.

658.386 Foremen 51-13641

"A report of an extensive clinical observation
of supervisory training, involving first-hand
observation of a foreman in an industrial as-
sembly line in an expanding manufacturing
company, in his relations with those under
and above him, as a focus for the study and

understanding of the administrative process."
Library J

"Some findings of this little book are im-
portant for social scientists. . . Sociologists will
find the volume useful as a social document,
for it contains verbatim accounts of all too
typical training sessions, as well as detailed
accounts of worker's behavior during the
'battle of the conveyor.' . . The deficiencies of
this work for serious students of industrial or-
ganization are considerable. It contains most
of the biases and blind spots of the Mayo
school. The study begins with no set of prin-
ciples or ideas to test. So barren is the re-
search design that its conclusions would be
considered by most students as premises.
Workers are not interviewed. The clinical and
case approach are wedded, with the conse-
quence that generalizations are limited to the
particular plant." W. H. Form
Am Soc R 17:253 Ap '52 550w

"The author's recommendations, while
undeniably admirable, are probably much more
difficult of attainment than he fully recognizes.
In short, the study represents a typical re-
search project at the graduate level, but hardly
one which makes a major and lasting contribu-
tion to human knowledge." R. N. McMurry

ZARA, LOUIS. In the house of the king.
306p \$3 Crown

Philip II, king of Spain—Fiction 52-10763

A historical novel based on the life of Philip
II, king of Spain. It begins when he was a boy
of ten, and follows him thru his complicated
amorous and political affairs to his death, still
overshadowed by the figure of his father, Don
Carlos, emperor of the Holy Roman empire.

Booklist 49:68 O 15 '52

"Mr. Zara makes his story hustle along and
embellishes it with a fair number of the erotic
episodes common to this school of fiction with-
out becoming oppressive about it. There is
some rather anachronistic Freudianism in it.
Yet the book is competent and readable, if not
distinguished." Edmund Fuller
+ Chicago Sunday Tribune p17 O 5 '52
390w

"Mr. Zara brings to his task an unobtrusive
scholarship. His novel does not set out either
to excoriate or to extol a reign distinguished
for its grandeur no less than for its horror.
If the author knows the ruthlessness, the
hypocrisies, the arrogance of the absolute mon-
arch, he also understands his occupational
hazards and attempts to make them all equally
graphic to the reader. . . His Majesty him-
self never comes fully alive. . . Against this
shortcoming, however, must be balanced Mr.
Zara's fine sense of political proportion, his
refusal to smother history in hours of sword-
play or oodles of sex. He gives us a vivid
journey through the sixteenth century."
Frederic Morton
+ N Y Herald Tribune Bk R p6 S 28 '52
700w

"This is a good book. It could have been a
much better one without the shoddy sex epi-
sodes. By detailing royal intimacies that no
amount of research could verify, the author not
only cheapens a superior work, but casts doubt
on the authenticity of the rest of his story."
Richard Match
+ N Y Times p14 D 28 '52 180w

"It all makes for lively reading. In addition,
the author has tried to explain some of Philip's
less endearing qualities, such as what looks
mighty like sadism, by providing him with a
self-starting Oedipus complex. This explanation
pops up with such annoying regularity that
one might suspect that Mr. Zara had just
stumbled across Freud. If you can disregard it,
you'll find a story with enough dramatic rami-
fications to hold your interest." E. J. F.

ZIMMER, HEINRICH ROBERT. Philosophies of India; ed. by Joseph Campbell. 687p il \$6
Pantheon bks.

181.4 Philosophy, Hindu 51-13167

"This large volume is not a systematic treatment of Indian philosophy. It is not, in fact,

a work completed by Mr. Zimmer himself for publication. It is, rather, a series of chapters, some written out by him at considerable length and used as notes for lectures; others brief and here supplemented by reference to standard works and hearers' notes and memory. All have been selected, arranged, and edited by a devoted pupil. The successive chapters show the nature of Mr. Zimmer's approach to Indian thought." N Y Herald Tribune Bk R

"Valuable study of Hindu thought. . . It is distinguished no less by the devotion with which Joseph Campbell completed his task than by the scrupulous work of the scholar responsible for the bulk of the book." Babette Deutsch
+ New Repub 126:20 Ja 21 '52 550w

"The work as presented offers little that represents an advance in knowledge. It does, however, handle the various topics with the literary skill and intellectual charm that marked all of Mr. Zimmer's work and throughout it are those flashes of insight and illuminating interpretation which beguiled readers and converted students to disciples." W. N. Brown

N Y Herald Tribune Bk R p14 Mr 9 '52
550w

"That this incomparable material has not been lost is thanks to the peculiarly imaginative generosity of the Bollingen Foundation and the competent editorship of Joseph Campbell, teacher of comparative mythology at Sarah Lawrence College, who combines expert knowledge of Zimmer's field with a rare literary talent. The result is hardly less than what Zimmer himself would have desired, for he was one of those—unhappily few—orientalists for whom scholarship was not a process of analyzing, dissecting and dehydrating the remains of ancient cultures, but, on the contrary, of bringing them to life."
